

Religious Education 35: Sacred Text Assignment

1. Students research sacred texts from a variety of World Religions (Judaism, Islam, Hinduism, Buddhism, Sikhism, etc.). Students research how other World Religions understand their sacred texts as guides to moral living. A planning/research chart is provided for your use.
2. Students create a multi-media presentation that compares and contrasts the Catholic understanding of Scripture with sacred texts from other World Religions. Explain how each World Religion understands their sacred text as a guide to moral living. Examples of a multi-media presentation include videos (iMovie, moviemaker, etc), animations (GoAnimate, ComicLife, PowToon, etc), voiceover slide presentations (Prezi, PowerPoint, Google Slides, etc.) or other presentation applications approved by your teacher.
3. Please review the rubric below.

Task Component	0-Not Observed	Level 1- Limited	Level 2- Adequate	Level 3- Proficient	Level 4- Excellent
Knowledge, Understanding and Inquiry <ul style="list-style-type: none"> • quality of information • organized/analysis of information • synthesized 	Not observed	limited understanding of the topic; many errors and/or omissions	some understanding of topic; some errors and/or omissions	good understanding of the topic; few errors or omissions	excellent understanding of the topic; no errors or omissions
Application <ul style="list-style-type: none"> • visual impact • multi-media assignment is clear, carefully edited and professionally presented 	Not observed	overall visual impact is limited; little material is relevant and connected to the main idea	overall visual impact is somewhat effective; some material is relevant and connected to the main idea	overall visual impact is effective; material selected is mostly relevant and connected to the main idea	overall visual impact is very effective; material selected is all relevant and connected to the main idea

Knowledge, Understanding and Inquiry _____x2 and Application _____ = Total _____/12
